Burglary/Forcible Entry

December 07, 2009

About This Crime: The Chicago Police Department is currently investigating Forcible Entry Burglaries of residential apartments that are occurring in the 20th and 24th Districts. The Burglaries have taken place during day time and early evening hours. The residents return home to discover the door to their apartments broken into.

What You Can Do: Secure your entry doors. Inform other occupants of the building of the break ins. Go through your residence and record the serial items on your electronic property. If your building has a surveillance system insure that it is in working order. If you observe any suspicious activity call the police.

Offender Information: Before breaking into the residences, it appears that the burglar(s) made sure no one was home or in the building.

If You Have Information: Contact the Chicago Police Department if you have any information that would help in the investigation of the break ins.
