Wanted for Luring/Attempt Child Abduction

About This Crime

On September 19, 2009 at approximately 11:50 a.m., two young boys reported that an older blue cargo van with tinted rear windows and rusted wheel wells pulled along side of them as they were walking in an alley near Warren Park in the Rogers Park neighborhood. The driver of the van told the boys to get into the van and the boys ran home and reported the incident to their parents.

The occupants of the van are depicted above. The driver is described as a Male White, 30-40 yoa who was balding with salt and pepper hair and very overweight. He was last seen wearing a white t-shirt with lettering. The passenger is described as a Male Hispanic, 30-40 yoa, heavy-set with shaved dark hair and slight overgrowth of hair above his lip. He was last seen wearing a brown jacket and white t-shirt.

What You Can Do

If possible do not let children walk alone on the public way
